

Reap

danskina

Danskina produces contemporary, made-to-order rugs with distinctive character. A pioneer of innovative manufacturing techniques, we take pride in outstanding craftsmanship, hand-detailing and premium-quality materials. Our rugs are predominantly produced in the Netherlands, Scotland, Nepal and India.

Under the design direction of Hella Jongerius, Danskina rugs bring a warm, new design language to homes and commercial spaces alike.

Please refer to danskina.com for our full collection.
